SEPTEMBER 1985

NEWSLETTER

Dear Friends:

"Don't talk about what you have done or what you are going to do... Do it,
and let it speak for itself"

Well the summer is just about over, and the fall will soon be upon us. This is the time of the year that all members of the organization should begin to get involved.

Police Chief Charles Knox and Captain Joseph Santiago from the North District will be our featured speakers at our general meeting on September 10, 1985 at 8:00 P.M. Mr. Knox and Santiago will give an informative talk on present policies, procedures and programs in the North Ward. We urge each of you to bring a friend or neighbor to come and inquire about their police department and peritlent problems.

The August meeting was quite informative. Government Affairs announced that it is working on a debate between the gubernatorial candidates sometime in September. Safe and Clean Streets announced its work with the ISP program. We were all delighted to hear of the ambitious projects that Safe and Clean Streets are working on, and the informative talk about the ISP program.

Our organization recently sent out a letter to the City Council letting them know that we support Councilman Carrino's concept of the full disclosure ordinance.

Sorry to announce that it's time to pay your annual dues again. September 30th, 1985 is the deadline if you wish to remain a member in good standing.

The next Executive Board meeting will be on September 17th at Alina's house at 7:30.

The Public Relations-Membership-Committee, in an effort to spread good will among other community groups within the neighborhood is tentatively organizing a Soft-ball game with the North Ward Community Association on September 29th. For further details see next months newsletter, and also other details at our next meeting.

In the South Ward of the City, a sister organization has been started. WERE (Weequahic Economic Redevelopment Enterprise, Inc.) will hold it's first meeting at the end of August. The reason we say sister, is that our By-laws and Constitution are almost identical. Our by-laws were used as a base for their own. So far this new group has gotten off to a good start. They've published a newsletter, printed a bumper sticker, have programs lined up for the next year, and have already had one spcial event.

Let's support the Organization by attending all meetings. When you miss these meetings, you are missing.

We'll be looking for you.
